LIBERTY BAPTIST CHURCH

The pastor, O. D. Moore, of the Liberty Baptist Church returned from Arlington where he has been in attendance at the BaptistGeneral Association of Virginia. The theme for the Association was "Worship and World Awareness". Included in the out of state speakers for the Association were Dr. Ralph Herring, former pastor of the First Baptist Church of Winston Salem, N. C. Dr. Harold Graves of the Golden Gate Seminary of California, and Mr. Brooks Hayes, former member of Congress and also a former President of the Southern Baptist Convention.

Liberty continues its redecoration program. The outside of the church is being completely painted, and the inside will be redecorated just as soon as this is completed. The church has already installed a new furnace in the parsonage and will install another for the church sanctuary just as soon as possible. There are many improvements which will be in the program of Liberty as they continue to move forward. The pastor, O. D. Moore, who has been here now three Sundays is getting off to a very good start in the work of the church. The attendance countinues to improve, and other phases of the activities are progressing well. The mid-week Hour of Power Service takes on momentum each week. The Music Committee is continuing its search for an assistant to take over the Music and Youth Work of the church. Some progress has been made. The Pastors subjects for Sunday are: Morning- "Stirring Up The Eagles Nest", and for the evening "The God Planned Life." On Wednesday evening at the Hour of Power he will continue a series of messages on the general subject of "My Church".

The church is working on its financial program and will have it ready to present at our regular Business meeting on the first Sunday in December.

Thanksgiving services will be held at the church on Thursday morning, at 9:30. Other churches in the county will participate.
